“Just you and the Chef”

ONE TO ONE

This is the most customized option. The programme is completely based on your individual needs and adapts immediately to take account of the developments you have made. Experience has shown us that this type of course guarantees the very best results and progress. Both the content and timing of this course can be adapted to suit the student's requirements. Suggested to those who wish to perfect their cooking abilities in a brief period and with a full immersion.
